Carolina Conference Pathfinder Newsletter

October 2011

October 13, 2011

Pathfinder Leaders:

The beginning of this Pathfinder year has lots of promise. Thank you for coming and supporting the **Carolina Pathfinder and Adventurer Leadership Convention at Nosoca Pines Ranch in August**. It was a great opportunity for all of us to get better acquainted and network about successful approaches to Pathfinder ministry in your local club.

**The deadline for getting your club registration and applications to us on time has past. *Monroe Spanish* was the first club to fulfill this requirement** and send to me all registrations, applications, and staff information. However they were only one of twenty clubs that completed it. This means that 26 clubs have still not completed this most necessary requirement of getting this information to my office. **If I have to call for this information**, this is not good news for you, because it will impact your ability to attend the Carolina Pathfinder Camporee next week at Camp Durant. Please get this work done now.

I hope that you have been praying for a beautiful weekend for the camporee because it begins next week. New events have been added to the field day on Friday and 21 honors will be offered on Sabbath afternoon. Also included is a new innovative and interactive game being introduced called Pathfinder Jeopardy. So I hope you know your pathfinding, because you will be challenged.

I want to welcome **two new clubs to Pathfinder Ministry...*Erwin Hills and New Bern Spanish***. Please take the time to get acquainted with these new Pathfinders and leaders and welcome them to the Carolina Pathfinder family.

Included in this newsletter is an information notice about the **Honors Midway in Arden, NC, November 6, 2011**. Many thanks to Stuart Yoon and his staff for offering this event at their church. Also you will find **another informational flyer for your teen Pathfinder, called "Becoming."** Please consider these events for your Pathfinder ministry.

Finally, I want to share some good and bad news about our Southern Union Pathfinder Director Allan Williamson. I am happy to share that he is now cancer free and getting stronger, but after 25 years as youth director in the Southern Union, **Elder Williamson is retiring in January**. If you would, take the time to send him a greeting and best wishes for the future, by writing to Elder Allan Williamson, P.O. Box 849, Decatur, GA 30031.

I'm looking forward to seeing you at Camporee.

Stanley Knight  
Carolina Pathfinder Director

**PATHFINDER CALENDAR 2011****2011**

October 20-23	Carolina Camporee- Camp Durant
November 4-6	Low Country Campout
November 6	Honors Midway- Arden
November 11-13	High Country Campout

August 24-26	Leadership Convention- Nosoca Pines Ranch

## ITEMS OF IMPORTANCE

### APPROVED DRIVERS-

Please be sure that your drivers meet **all 5** criteria listed in the Secretary Packet for approved drivers as follows:

1. Must be 21 years of age or older.
2. Valid driver's license.
3. Current insurance on vehicle.
4. 2 accidents/violations within past three years.
5. Approved by Church Board as a recommended driver.

### PATHFINDER BIBLE- ACHIEVEMENT

We will be studying Isaiah 1-55 and the SDA Bible Commentary Introduction (pg. 83-91) which will include the following: Title, Authorship, Historical Setting, and Theme. Our coordinator will be Tim Blake. To get more information please visit:  
<http://pathfinderbibleachievement.org>

### CAMPOREE VOLUNTEERS-

We are requesting volunteers to lead out song service with Jennifer Spears. Please encourage your kids to do so. If you have Pathfinders that are will to do so please contact Jennifer at [jenniferspears@gmail.com](mailto:jenniferspears@gmail.com).

### CAN COLLECTING-

Make note of the form due in December for the can collecting. You will also see a flyer attached that can be used while collecting the cans.

### FIELD TRIPS/ACTIVITIES-

Just a reminder that ALL Pathfinder field trips/activities **need to be Church Board approved in order to be covered by insurance.**

### INITIAL CLUB PAPERWORK-

The clubs listed below in **red**, still have missing paperwork. Please send it in ASAP. **You need to have completed all your paperwork in order to attend the camporee next week. DO NOT BRING YOUR PAPERWORK TO CAMOREE!** It has to be in the office by Tuesday, October 18<sup>th</sup>, 2011.

### INSPECTION REQUESTS-

The Inspection requests are **due on November 7th**. Please send in your Inspection request as soon as possible so that we can put your club on the schedule. A confirmation letter will be sent to the director once we have your club on the Inspection schedule.

### REPORT DEADLINES-

Please make every effort to **get your Monthly Reports in to our office by the 7<sup>th</sup> of each month.** It is especially important for clubs that are working towards "Club of the Year" to get your reports in on time.

## CLUB NEWS

**Arden-** In July we had our annual food fair. We set up 8 booths with each having a different country's food. We made \$900.00 toward the Oshkosh trip in 2014. Everyone enjoyed themselves, young and old. ~~~ September found us ready for a sleepover. We slept over at the church and did camping skills. We started fires and roasted marshmallows. We pitched tents and made sure all was right with them. We played games and sang songs. We all enjoyed each other and had a good time.

**Camden-** Our previous director, Carolynne Fekete, left in April when her husband moved to the Wilson/Goldsboro churches. They will be greatly missed! On August 31<sup>st</sup>, we had registration with a Hawaiian Luau party with food, games and fun! The Lord blessed and we had 50 people come out to join the fellowship/registration for Pathfinders and Adventurers. ~~~ We have been practicing for our induction service, learning about the pledge and law and getting to know one another. We have 6 returning Pathfinders and 7 new members to induct. We are very excited about our growth and we praise the Lord for it!

**Charleston-** The Charleston Patriots had 2 Pathfinders and 1 staff member participate in the Bike for Life ride during the summer. All agreed it was a wonderful experience, and their favorite place was the Amish country. All 3 participants said it is something they would like to continue. We also attended the Riverdogs game (local minor league baseball). One of the staff members was able to obtain box seating which was AWESOME! The Riverdogs won 6-1. Charlie the dog (mascot) came to the box and visited with the Pathfinders. ~~~ We started the new year with 7 new Pathfinders; that's half of our club. We've also began working on the Red Alert Honor.

**Charleston Spanish-** In August our staff went to the Leadership Convention along with some TLTs. We registered and had some staff meetings to prepare for the first meeting. We are looking forward to a successful year with the Pathfinders. This year we have 31 Pathfinders and 7 of those are new to our club. Please pray that everything goes as planned.

**Charlotte University City-** The club went to visit Ms Evelyn Shepherd at the retirement home facility in Concord. We minister to her and some of the resident's there as we were granted the use of the Chapel. Most of our Pathfinders participated in our VBS program as team leaders. ~~~ For the month of September our Pathfinders helped as greeters for the service on the 17<sup>th</sup> of the month. We also had our first foundation meeting to help kick off the beginning of the year. It is a blessing to be able to study the WORD of God; AMEN!

**Durham Spanish-** During the month of August we visited the entire Pathfinder age youth of our church to invite them to join the club. We had very good responses. We had a parent/Pathfinder meeting to welcome all the Pathfinders. We have started the year with the right foot. We pray and ask for everyone to pray so this year can be a successful year but mostly so that we all work for Jesus and our kids. ~~~ The Durham Spanish club is very happy to have a group of 19 pathfinders this year. It has been hard working to get all the youth of the church involved in the Pathfinder club but very rewarding. This month we have worked on getting to know each other more than we used to. We have worked on our books. The part that we all enjoy the most is the last 40 minutes of our meeting which we have dedicated to friendship, gathering all together. All I ask is that God will continue giving us the blessings throughout the year as He has provided for us in the beginning.

**Elizabethtown-** The Elizabethtown Pathfinders are off to a good start. We have formed a partnership with the Lumber River Pathfinders, for training and events purposes and we met at both locations. Our director has met with the Pastor of the Pembroke Church to discuss the union between the two groups, as well as the outreach opportunities that Pathfinders creates in the Pemboke/ Elizabethtown areas. We had planned a Pre-Camporee camp, to acquaint the new kids with camping, and to air out the tents. Unfortunately, the weather had a different agenda. We will try it again next month.

**Erwin Hills-** The Erwin Hills Pathfinder Club is new this year with 6 pathfinders and 3 staff members. We have

been working hard on preparing for Camporee by walking on stilts, swamp walking and learning new knots. We even had our hand at shooting arrows. We also had a chance to go camping and finished our Camp Skills I Honor and the Tree Honor. Our club had its induction service at the end of the month. We are all looking forward to making new friends at the Camporee. See you there!

**Fayetteville-** In June 6 teen Pathfinders went to the USSR Yorktown. They had an awesome time meeting new friends, exploring the ship, learning about history, and drawing closer to our Savior. On the 25<sup>th</sup> of June after vespers, the Pathfinders had a lock in at the church. We played games, watched movies and ate a lot of food. In July the Pathfinders assisted with VBS. They helped with crafts, games, and leading up front. In August we had a pre-registration and did the Amphibians Honor. ~~~ Greetings everyone! We are off to a great start this year, we have 25 Pathfinders. We lost a couple during the summer, but we also gained a couple. We would like to welcome our newest Pathfinders, Serena Edwards, Natasha Varela and Lisa Zawolo. We have begun our studies and our Camping Skills Honor as we prepare for Camporee. Our summer was spent helping others, gleaming for food with the St. Andrews Gleaming Society; we hope to have the opportunity throughout the rest of the year. Some of us also enjoyed summer camp at Noscosa. We look forward to seeing all of you at Camporee, until then, God Bless!

**Fletcher-** We had a busy September which included induction, our first campout, and Pathfinder Sabbath. On our campout to Davidson River in the Pisgah National Forest we worked on campout skills, drill and marching, and learning to work together. We welcome a new member Cameron Pattle, an Explorer!

**Franklin-** In late August we had registration. Our club was not operational until August 24<sup>th</sup>. On the 31<sup>st</sup>, we had our first official meeting and the first honor we are going to be teaching is Cake Decorating.

**Greenville North-** In July we went to the pool and did a massive swimming checkoff for Pathfinders and Adventurers. The club registration was on August 14<sup>th</sup>, complete with a waterslide and pizza. Then Labor Day weekend, we had a family campout and worked those Pathfinders hard with camp skills, fire building, camp cookery, seeds and dogs. Off to a busy start!~~~ Greenville North Stars had a chance the day after the Nosoca Staff Retreat to start community service early! Hurricane Irene provided plenty of storm cleanup opportunities, and the kids worked hard raking and hauling limbs from 2 elderly ladies' yards. Induction was beautiful, and then last Sunday an American Heart Assistant instructor taught CPR & First Aid to the whole group. Kids and staff are excited and ready to go!

**Greenville South-** Our club was re-started this year after 1 year of having no club. No activities were done during the month of June and July except the registration day in July. In August we had our first club meeting. ~~~ Greenville South has started the year with lots of energy, enthusiasm and desire to grow and praise God. Our club meetings began on August 31<sup>st</sup> and our induction was on September 10<sup>th</sup> during second service. Pathfinders had the honor of not only participating by explaining to the church members what the pledge and law means, but also had a staff member preach for the first time in his life. The same afternoon our club met with the Tryon club and enjoyed vespers and game night. We had lots of fun.

**Haw River-** We had an intensive backyard Dutch Oven Cooking Honor day. We made lots of delicious food but would break it into sessions if I'd do it again. We also went to Wet'n Wild water park in Greensboro.

**Hendersonville-** We went to Hunting Island State Park for some beach fun. Everyone had a great time riding the waves and looking for shells and shark teeth. All too soon it was time to come home. ~~~ Hendersonville is off to a good start with 13 Pathfinders. We had our first backpacking trip. Our new Pathfinders who had never been backpacking before were real troopers. We did the Camp Craft Honor and are now working on the Sand Honor. We are still using sand we brought back from Oshkosh the year they asked clubs from everywhere to bring sand to the camporee.

**Hickory-** After going to camp meeting we went on a camping trip in June up to the Scales of Virginia where a rain storm almost blew our tents away. The next weekend we went to Boone, NC where we canoed down the New

River. In July we went camping to Chucks River where we had a great time learning about moss and wild plants. On August 7<sup>th</sup> we went back to Boone, this time to go tubing down the New River. Over all we had a great busy summer. ~~~ September 7<sup>th</sup> was registration. The 14<sup>th</sup> was our induction service, and on the 16<sup>th</sup>-17<sup>th</sup> we went camping on the Scales where the fog never went away. Yet we were able to go on a 10 mile hike where we had a great time. On the 24<sup>th</sup> we had a hay ride with friends and family. We have been working on Camping Skills and Orienteering. All of our Pathfinders who want to be a Pathfinder of the year, have been assigned a sponsor to encourage and work with each Pathfinder to complete their 20 hours.

**Hickory Spanish-** Our Pathfinder club had a very fun summer! We started the summer with our annual church VBS in which our Pathfinders helped out as staff. We also had our TLT's get ready for the training campout at Nosoca in July. Our teens came back very enthusiastic and motivated to start a new Pathfinder year. In August we had our induction. Each Pathfinder had a colored balloon according to their AY class which we let fly away at the end of the ceremony. To each balloon we tied our goals for the year and sent them up as a symbol of our club sending our plans to heaven and putting them in the Lord's hands. Hope you have a fun Pathfinder year! ~~~ Our club had a spiritual service for the 911 victims and their families.

**Hilton Head Spanish-** We worked hard to finish the last Pathfinder year. We had classes in July and August. Now we are trying to persuade other kids to join and participate in our club.

**Kernersville-** Sabbath, September 24<sup>th</sup> was a "High Day" for the Kernersville Wildcats. Morning services were presented by the Pathfinders including the induction of five new members to their Friends class, for a total of 20 members. Then a wonderful time was had by all, as they headed to a Sabbath retreat at the Cousin's, a church member's family who graciously provided their house as a meeting place. After a yummy lunch of haystacks and birthday cake, as we celebrated one of their newest member's birthday we began to learn the Pathfinder song in French. Next they received their new journals and memory verses rings color-coded to match each classes 'color. After learning what to do with them they separated to work on their requirements. After several hours they came together and presented their work. Next everyone headed outside for a Nature Scattegories. The Friends and Explorers tied with 17 points each. The day finished with the study of the five camping W's, fire safety and fire building. As the fire burned down and glowing coals formed, the Pathfinders enjoyed roasting their supper, complete with bread on a stick and some creative members making pigs in blankets. The Wildcats would like to suggest a "Sabbath Retreat Day" as a fun way to connect to each other, get requirements done and enjoy some time in Nature enhancing your friendship with God.

**Lincolnton-** In June our teen Pathfinders participated in the Conference sponsored Yorktown trip. In July we held our Pathfinder registration and an initial planning session. In August we had our first meeting and our club director and a TLT attended leadership. ~~~ In September we worked on our Canning Honor as well as preparing for our mini VBS for the children of the community.

**Lumber River-** Our Pathfinders worked on the Soap Carving Honor, and made paint from soap scraps.

**Monroe-** In August we had our 2011-2012 registration. We combined it with a church game night and it was a lot of fun!

**Monroe Spanish-** Hello Pathfinders! Great to be back! Our kids are ready and excited to begin working in their classes. Induction has been done and now we will be getting ready for Camporee. See you there!

**Mt. Pisgah-** The Mt. Pisgah Pathfinders club had two activities this summer. We went on a Sabbath afternoon hike and rock sliding at Cove Creek. We also went tubing down the Davidson River. We had a great time and the Pathfinders are looking forward to the start of a new year. ~~~ September was a fun and busy month for Mt. Pisgah. On the 19<sup>th</sup> we had induction and inducted 6 new members. We had 3 meetings in which we worked on drilling, book work, and also the Braid Honor. We also went backpacking at the John Rock and had a great time. We went hiking and worked on the Geology Honor.

**Raleigh Umoja-** We were able to register 10 pathfinders and 4 TLT's. We visited the nursing home and rehabilitation center where we sang and read some Bible verses. We did some class work also and went over the Pathfinder law, pledge and song. We are looking forward to an exciting year.

**Rockingham Spanish-** The Pathfinders were involved with vacation bible school activities. They also participated in a tournament with the Biscoe Spanish club for fund raising.

**Spartanburg-** In June, Spartanburg participated in the Pathfinder activities at camp meeting. After storage of supplies, the club officially took time off for the summer. In July, the Spartanburg SDA Church held its annual VBS program. About 20 Pathfinders participated in everything from being part of the program, to being crew leaders, and running even stations. Most assisted with setting up and taking down the program. Some served as runners and substituted for those people who missed certain nights. The Pathfinders made up about 30% of staff/volunteers. In August, the Eddleman Adventist School held its pre-school year work bee. A smaller unit helped for 4 hours getting the school ready for opening. At the end of the month, Spartanburg brought 5 staff to leadership weekend.

**Spartanburg Spanish-** We had a field day and did competitions on putting up tents, preparing food, and how to start up fires. We also taught first aid precautions. We also had evangelistic meetings for kids in which our Pathfinders helped out every night. ~~~ On September 25<sup>th</sup> we had a field day where we walked. The Pathfinders did dramas about the Bible characters, and at the end of the field day the kids swam in the river.

**Statesville-** In June our club accepted our Pathfinder club of the year award and marched at camp meeting. Then in August, our club held registration and our staff attended the Pathfinder Leadership. ~~~ Our club has experienced almost 100% growth from last year. We have 8 new Pathfinders this year and are returning 3 from last year (3 Pathfinders from last year did not return). We had our first 3 meetings this month and already earned the Archery Honor and started the Music Honor.

**Summerville-** The club went to a water park in June. It was so much fun that we went back in July. One of our Pathfinders went riding her bike through the "hills" of Pennsylvania with the Bike for Life group. Another Pathfinder helped with VBS. Three of our group attended Leadership and our teen Pathfinders finished the leadership course as needed for the guide class. Club members worked on completing the Cooking, Food Drying and Swimming honors this summer. ~~~ We are tying knots, learning camp safety and learning about proper foods to eat. What are we doing? We're getting ready for Camp Durant!

**Tryon-** Our club went on our fist backpack trip with Pastor Gibbs. This trip was meant for the Men's Ministry but was combined in order to take advantage of the bus, time and location. Pastor Gibbs really put us to the test. We hiked what he says were 3 miles and we say 4, STRAIT UP! We had a great time. ~~~ We had a great month in September. We had registration on the 7<sup>th</sup> and induction on the 24<sup>th</sup>. We inducted 4 new Pathfinders. We had our first official back packing trip to Ellicott Rock in which we had beautiful weather. We found the rock and was also blessed to find a water snake of which we all had to hold.

**Upward-** This summer after camp meeting we had one baptism in our club. We participated in outreach with a bike rally to raise money for the Park Ridge Cancer Center. But mostly we took the summer off. ~~~ This September we started with registration. Five Pathfinders responded and received their appropriate class work for this year and chose honors that they are interested in. The following week we started class work and the Basketball Honor taught by our one TLT that returned this year. We all are looking forward to camporee and a very fun year ahead.

**West Columbia-** We treated our Pathfinders at the beginning of the summer to a fun trip to Carowinds. The kids loved it. Then in July our Pathfinders attended Nosoca for Summer Camp. They love it every time. In August we had a Pathfinder staff meeting for the new year. We are blessed with a lot of staff this year! Looking forward to another awesome year of Pathfinders! ~~~ We have had a great start to our year of Pathfinders. The beginning of

the month we had our registration. It was great. We have a total of 22 Pathfinders in which 8 are brand new and 8 staff members. Then we had our induction ceremony. It was very nice and exciting. We also had our first drama club practice. We are getting ready for our first performance at the camporee. We are looking forward to start up our meetings and get ready for all the activities we have planned for this year. God is good and I am so excited about our club.

**Winston Salem-** In June, our club was represented at the camp meeting parade. In July the teens from the club along with staff members participated in the Bike for Life ride to Pennsylvania. Then in August, several staff members attended Leadership. ~~~ On Wednesday September 7<sup>th</sup> we had our open enrollment night. There were five new Pathfinders added to the ranks. The meeting began with a changing of command ceremony in which the club director from last year Mr. Edward Eller presented the incoming director Mr. Richard Conner with the clubs Pathfinder flag. On Sabbath afternoon September 24<sup>th</sup> we had a very nice candle light induction ceremony. On Friday September 30<sup>th</sup> there were two members of our club at the Winston-Salem 1<sup>st</sup> SDA church's booth which is part of the Dixie Classic Fair. The booth is part of a community out-reach the church participates in each year. The contacts we make are followed up with prayer and bible studies.

**Winston Salem Spanish-** Our Pathfinders worked hard this past summer. One of the most important activities that they were busy in was VBS. Each day they helped as staff. Some of them also worked as volunteers in different organizations.

# CAMPSITE INSPECTION SHEET

CLUB \_\_\_\_\_ INSPECTOR \_\_\_\_\_

**Instructions:** Mark points after each item considered. If an item is not needed, give full credit.

1. **TENTS -**

- A. Alignment (neat, not scattered) 0-15 \_\_\_\_\_
- B. Ropes and tie-downs installed properly 0- 5 \_\_\_\_\_
- C. Uniformity of doors and windows (open or closed) 0- 5 \_\_\_\_\_
- D. Interior neat, items uniform, area swept, suitcases arranged, Bible on pillow or at head of bed. 0- 5 \_\_\_\_\_
- E. Flags and Unit Guidons posted, neat and clean. 0- 5 \_\_\_\_\_

2. **COOK AREA -**

- A. Menu KP list posted where anyone can read it. 0- 5 \_\_\_\_\_
- B. Stoves clean, fires in safe condition away from tents. 0- 5 \_\_\_\_\_
- C. Food stored, animal and insect safe. 0- 5 \_\_\_\_\_
- D. Utensils stored, insect free and clean. 0- 5 \_\_\_\_\_
- E. Trash and garbage storage and disposal provided. 0- 5 \_\_\_\_\_

3. **HEALTH FACILITIES -**

- A. Proper sanitation and protection. 0- 5 \_\_\_\_\_
- B. Well equipped first-aid kit, with Medical Parental Permission forms available. 0-10 \_\_\_\_\_
- C. Dishwashing and clean-up area. 0- 5 \_\_\_\_\_

4. **CAMPSITE -**

- A. Cleanliness, paper and trash policed (10 yard radius). 0- 5 \_\_\_\_\_
- B. Camp furniture, tables, chairs are clean and neat. 0- 5 \_\_\_\_\_
- C. Fire safety procedures posted and equipment, such as fire extinguishers or shovels and water buckets, in area marked "For Fire Only." 0-10 \_\_\_\_\_

**TOTAL POINTS** \_\_\_\_\_

**PLEASE NOTE:** All points by inspectors are averaged and club director will be presented with a report. Each club director must inspect his own campsite on this form and give it to the head judge to be averaged in with other scores.

This is the form that will be used at **ALL Camporees**. It is suggested that it also be used at club camp outs to enable the Pathfinders and staff to get used to what will be expected at Camporees.

The Franklin Pathfinder club is partnering with the primary and kindergarten classes of the Franklin SDA church to collect items for shoeboxes for Operation Christmas Child.

Operation Christmas Child Goal= 9 million shoeboxes

Franklin SDA Pathfinders Goal= 100+ shoeboxes

- In order to complete our mission we need donations of supplies as well as monetary donations to help cover shipping costs and items not received through donations. (Suggested items for donation include: shoe boxes, school supplies, small toys, small stuffed animals, hard candies, and other trinkets or items that would be of use or interest for a child of a third-world country.)
- Please bring any donations you and your club would like to give to Camporee at Camp Durant this October.
- If you would be willing to make a monetary donation, make checks payable to: "Franklin SDA Church".

For more information, or a more detailed list of items needed, please contact:

Tim Broughton via email at [franklinpathfinders@gmail.com](mailto:franklinpathfinders@gmail.com).

Operation Christmas Child's Website: <http://www.samaritanspurse.org/index.php/occ>

Hi, we're from the

Our **journey** from childhood, where everything is simple, eat, sleep and play, to adulthood, where life is constantly evaluated and ranked by our performance, is **EPIC**. It's a wonder anyone **survives**. In fact this passage is so jam-packed with **self-doubt**, heart break and **frustration** that many avoid growing up at all. There is so much **pressure** to live up to **expectations** including our own, that it can leave you **confused** and filled with a mixture of **depression** and **RAGE**. It makes you want to **s c r e a m . . . . .** "There has got to be a better way!!!"

and there is.

The **truth** is, we can't get rid of all the stress or the painful parts of life, but we can develop resilience. We can figure out how to **hang in** through the junk and bounce back when it passes, and it will pass.

"Becoming" is a time of **self-discovery**, understanding, forgiveness and encouragement designed to take the pressure off, and **equip** you to survive your journey to adulthood. You can become much more than the human-doing the world sculpts, you can become the being God designed you to **be!**
