Adventurer Leaders,

I see that many are getting ready for **Adventurer Fun Day at Nosoca Pines Ranch, April 8 for clubs in North Carolina** and **April 29 for South Carolina clubs**. Explorers for Jesus, our theme, is going to be an exciting experience to remember. I hope your adventurers like the song, "Let's Go Explore;" it is so much fun to sing and it was written by Pastor Isaac Vallejo!

Thank you to those clubs that are **working in connection with the local pathfinder club to combine your club meetings for the opening exercises and be inspected on the same evening**. This is much appreciated and allows us to inspect more of the clubs.

I am sure that many of you are approached about who you are and what Adventurer Ministry is, as you take your adventurers to places like the fire station, museums, or retirement centers. **I want you to always have brochures available that answer those questions and many others**. Doors of opportunities will open up on a regular basis, but you must be prepared. These adventurer brochures are available through Advent Source. I am often approached when I am in uniform and I stand ready to share what an outstanding ministry that Adventurers is.

Thanks for making this ministry successful and your commitment to God in preparing his children for a heavenly home.

See you at your next inspection!

Stanley Knight,
Carolina Adventurer Director

Calendar of Events

CLUB NEWS

Arden- We are practicing for Adventurer Sabbath coming up for us in February. Elle Fritz has some great songs she is teaching us and we end each meeting with a little practice time. Our worships this year have been scientists that explored and what we can learn about Jesus through their lives. The kids look forward to the new scientist each time. We even got a new Adventurer this month! We are excited to grow for Jesus.

Charleston- The Eager Beavers have been learning about pets and they have been playing various "pet" games. The Sunbeam class has been learning about "choices" and "exercise". They played a game using "happy" and "sad" faces. Lastly, our Helping Hand class has been working on "Family". They made a family scrap book and included pictures of their family and family memories.

Durham Spanish- During the month of January our club worked on our books, all of our classes are working hard in completing our awards. We had fun playing bingo and working on puzzles. Every class had a different puzzle, and we raced to put it together. We were amazed to find out that the little lambs were the first ones to finish. All the adventurers took a little something home for their hard work. We are now preparing for our inspection in a few days. We ask for prayers as we continue leading our kids to Jesus.

Fayetteville- Good day everyone. This past month slowed us down because we had to cancel our meetings twice due to weather. When we did meet we played games, made crafts, and got an award completed. We're also starting to prepare for Fun Day. Enjoy the rest of your month.

Fletcher- We started the Hygiene and Health awards this past month. Everyone has been practicing their healthy habits at home as part of their award requirements. A few from our club attended the Dinosaur program with Rich Aguilera. We had a great time learning about what the Bible has to say in reference to Dinosaurs!

CLUB NEWS

Fuquay-Varina Spanish- This month our children were playing with the snow and building snowmen so they had a lots of fun. But also were working in their books and several honors in different classes.

Greenville North- Despite the inclement weather, Adventurers made up for lost time holding an Adventurer Sabbath, and sharing big smiles, hugs and praise music to our local NH Residents. We geared up for fun day exploration and visited our nearby Planetarium; the children learning about our awesome Creator! Speaking of Creation, it was an exciting show in Raleigh with Rich Aguilar's Dinosaurs!

Greensboro Spanish- After a fun winter break, the adventurers were ready to start the year with activities. We have been preparing for our upcoming inspection during our meetings. We also went to the Dinosaur program and the kids enjoyed learning about Dinosaurs, especially receiving the patch! We are excited to keep earning awards for the next couple of awards.

CLUB NEWS

Greenville South Spanish- This month the Spanish Greenville South SC club had some learning and fun activities that adventurers really enjoyed like Dinosaurs activity at Mount Pisgah; they even won some patches. We are preparing for the next outreach activity coming up.

Hanahan Spanish- We had a good start to the new year. Our children are very happy with the new things they are learning about Jesus. We are putting all our effort so that what they learn will help them to behave well in this life and in the life to come.

Hickory Spanish- We had our three regular meetings this past months with the participation of the parents.

Mills River- An Adventurer/Pathfinder Sabbath was well-received at the Mills River church this month. Thankful for our youth!

Mt. Pisgah- Our Adventurers and their parents attended the "Dinosaur Mud Guy" presentation on Jan 19. Rich Aguilera did an outstanding job at keeping the kids attention with his presentation on the topic of dinosaurs and relaying his message at a level that even children understand. The kids are still talking about "Dinosaurs".

N. Charleston Spanish- Hello everybody. January was a good month. The kids keep working and doing their jobs on their respective books for their class. This past month it snowed so everyone was happy that they got to stay home. Snow is very rare for where we live so it was something new for us and we all enjoyed it, even the parents. We are making plans for different activities for the adventurers, and we are waiting for the Fun Day which they love. Blessings to all!

Raleigh- We only met once in January for a club meeting due to the snow which cancelled our annual sleepover. During our January meeting we discussed healthy lifestyle and worked on the respective chip and awards for each class. Many of our kids attended the Dinosaur event by Rich Aguilera and were thrilled to receive their patch and souvenirs

Raleigh Umoja- January was a good Month we enjoyed having snow, school closed, and had more fun at the adventurer club. We had two meetings despite that, worked on two awards, attended Dinosaur event that was very informative on how and when Dinosaur existed. We continue to thank God for His blessing on us that we receive from day to day.

CLUB NEWS

Raleigh Spanish- It was a very interesting and busy month. At the beginning of this new year the adventurers got down to work. We worked on our classes, honors, and continued to prepare for the funday. We had the opportunity to help the needy by join the pathfinder club in the distribution of clothes to the homeless. We are looking forward to the funday since we have new kids that have never been in a funday before, we sure this is going to be a awesome experience for them, and for sure for all of us.

Rockingham Spanish- In this month the children learned how to take care of their bodies through food and cleanliness.They also learned the signs of the roads and what they are for.

Salisbury- We had just 2 meetings in January because of snow and sickness. But, we made the most of them! We earned a couple of awards and we started practicing for our inspection in February with Mr. Stanley! The most exciting thing we did was go see DINOSAURS with Rich Aguilera at Tri City Academy! The kids loved seeing all of the fossils, the different dig sites and learning about what the Bible says about Dinosaurs! The children loved Rexi the most!! WE loved the short movie that Mr. Rich showed us! We are very grateful that we had an opportunity to see this awesome event! We love the patches for our sashes, the neat pin and the replica fossil! we look forward to February and our Inspection on the 14th!

Spartanburg- This month we focused on community service- we brought in toiletries to put in bags to give to a women's shelter here in town and we made scarves to give to our clothes closet at the church to be given out when the church does their monthly community dinner. We visited our friends at the Windsor House and sang songs and focused on the King of Kings.

St. Paul- During the month of January, the club of Adventurers had 3 of their regular meetings. The kids were eager to learn and did many activities such as painting and crafts, which all taught them useful and interesting things!

Summerville- This past month our kids enjoyed working on final requirements for the Dinosaur honor and making related crafts. They also had a blast attending the Dinosaur event in Columbia, SC with Rich Aguilera.

CLUB NEWS

Tryon- In January we added two new Adventurers to our club. We are so excited to see our club grow especially with community children. Currently we have 6 community children attending our club which makes it a very important evangelism tool. We enjoyed going to the Dinosaur program at Mount Pisgah Academy. Adventurers loved the program and learned a lot about dinosaurs. It was fun to wear the 3D glasses. This month Busy Bees completed Artist and Safety Specialist award and Builders completed Missionaries and Wise Steward award.

Westminster- This past month Stanley Knight did our inspection and played games with the Little Lambs and Eager Beavers as they worked with balloons. Then he joined the Builders and Helping Hands! The little ones thought he was just like one of them!

Wilkesboro- We started this new year with FITNESS and HYGIENE. We did a 30 minute exercise routine, learned about stretches, and learned why its important to stay active. We also learned how to wash our hands, using Glow Germ powder and a black light to see if they actually got ALL the powder washed off! Then we learned how to brush their teeth and floss! We attended the Dino Event and the kids were so excited about it! We also had Pathfinder/Adventurer Sabbath. The church members loved seeing all the little ones and the big ones participating in the church service!
