

Doing God's Will

(Completed on 2/22/21)

By God & Kathy Russell ☺

(Ukulele)

C                      F              C

1) God wants me to love Him first,

C                      F              G

God wants me to love my neighbor,

C                      F

God wants me to be a friend,

C                                      G              C

By showing love I'm doing God's will.

C                      F              C

2) God wants me to cheer the sad,

C                      F              C

God wants me to feed the hungry,

C                      F

God wants me to help the poor,

C                                      G              C

By serving them I'm doing God's will.

C                                      F C

3) God wants me to do justly,

C                                      F C

God wants me to love mercy,

C                                      F

God wants me to walk with Him,

C                                      G C

By following Him, I'm doing God's will.

C                                      G C

By following Him, I'm doing God's will.
