Biographical Statement for Elder Brad Cauley:

Brad was born in Columbia, South Carolina. Brad's family came to faith in Christ and the Seventh-day Adventist Church through a tragedy that took place in 1986. He was baptized in May 1988 at the Blythewood (South Carolina) Church. At the age of 17, he felt a call to pastoral ministry and to attend Southern Adventist University where he received a BA in Theology (2001). Afterwards, he attended Andrews University and graduated with a Master of Divinity (2004). He is grateful to God for meeting Nellie, his wife, in 2003; they were later married in 2004.

He began pastoring in the Texas Conference for over 8 years where Alexandra and Bradford were born. Later, he gladly returned to the Carolina Conference in 2012 where he served as the Church Planting & Church Revitalization Director through 2020. He also pastored the Albemarle (North Carolina) Church for 2.5 years until taking on the role of Health Ministries Director. Brad received a Doctor of Ministry degree from Andrews University in 2020.

He served in Northern New England Conference as the VP for Administration/Executive Secretary. After 4.5 years, the Cauleys moved back to the Carolinas in August 2025 to serve as the VP for Administration/Executive Secretary.

He is the author of three books: *Steps to a Vibrant Church*, *ReGenerate! A Strategy to Revitalize Seventh-Day Adventist Churches*, and *In God I Trust? Examining Evidence for a Faith Relationship*. Brad loves God and His Church and enjoys exercising and visiting National Parks.
